

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

place of death to the grave, must be completely wrapped in absorbent cotton and then wrapped in a sheet saturated with a solution of bichloride of mercury 1:2000; all inclosed in a tightly sealed casket.

**Burial—Permits—Cemeteries. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 44. It shall be the duty of every superintendent of a cemetery, or other person in charge of any cemetery or burying ground within the city, to receive the permits issued for burials in said cemetery or burying-ground; to preserve the same and to furnish to the board of health of said city, upon Monday of each week, a written report, upon blank forms to be furnished upon application by said board of all burials made or caused to be made by him.

RULE 45. Any grave in which any dead body shall be buried within this city shall be dug to a depth of not less than 5 feet below the surface of the ground.

RULE 46. No new cemetery, burying-ground, vault, or tomb for the reception and burial of human bodies, shall be established within this city, or under the control of any organization within said city, without a permit so to do first being granted by the board of health of said city. No additions shall be made to those already in use without the same authority.

**Offensive Trades—Regulation of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 47. No person, company, firm, or corporation shall erect or maintain any manufactory or place of business within this city which is dangerous to life or detrimental to health, or where unwholesome, offensive, or deleterious odors, gas, smoke, deposit, or exhalations are generated, except in such places as are allowed by the board of health. All such establishments shall be kept clean and wholesome, nor shall any offensive or deleterious waste substance be allowed to accumulate upon the premises or be thrown or allowed to run into any public waters, stream, watercourse, street, or public place.

RULE 48. All licenses granted by the board of health may be revoked at the discretion of said board.

**Medicines and Substances for Household Use—Distribution of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 49. No person shall distribute, or cause to be distributed, from house to house on any street in this city, any package or bottles containing free samples of any medicinal substances, or substances for household use, except by permission of the board of health.

**Barbers and Barber Shops—Regulation of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 50. The place of business, together with all the furniture, shall be kept at all times in a cleanly condition.

Mugs, shaving brushes, razors, tweezers, needles, or other instruments used for removing hairs, shall be sterilized in boiling water after every separate use thereof.

A separate clean towel shall be used for each person.

Alums or other astringents shall be used in powdered form and applied with a clean towel.

The use of powder puffs and sponges is prohibited.

Every barber shop shall be provided with running hot water.

Every barber shall clean his hands thoroughly immediately after serving each customer.

Hair brushes and combs shall be thoroughly washed, at least once a day.

No person shall be allowed to use any barber shop as a dormitory.
